## > Tips on how to make your handwriting neat and legible:

- **1.** Hold the pencil correctly: The first most important thing is to hold the writing tool correctly.
- **2.** Use the right stationery:
- **3.** Write letters with proper formation like chicken letters (a,c,e,n,m etc.) in two lines, giraffe letters(

b,d,f etc.) using top three lines and monkey letters(g,y,z etc.) in bottom three lines.

4. Use "helper hand" opposite of writing hand, to stabilize the page and hold it down while writing.

## For Practice :

We should value and respect the importance of time every single moment. We should not waste time at all till the end moment of our life. Time is very strong and powerful than everything in this world. It may destroy a lazy person as well as strengthen a hard working person. Time is precious because the time you have in your life is less every second. Spend it wisely by doing good, fun or beautiful things.
